

Results of the Longbridge Road Residents Survey

Published March 2016 by Bramley Parish Council on behalf of the Residents of Longbridge Road

Number of replies: 33

Published by Bramley Parish Council for and on behalf of the Residents of Longbridge Road, Bramley, Hampshire. The comments and data contained within this document are presented as provided by those returning survey questionnaires. Bramley Parish Council are acting as co-ordinators only and the data below is presented for information purposes and does not imply support or objection to the proposals or questions contained within.

Are you aware that Village Green status requires the land owner to grant residents of Bramley access to this land?

■ Yes ■ No

Are you aware that this land has been allocated as a Village Green?

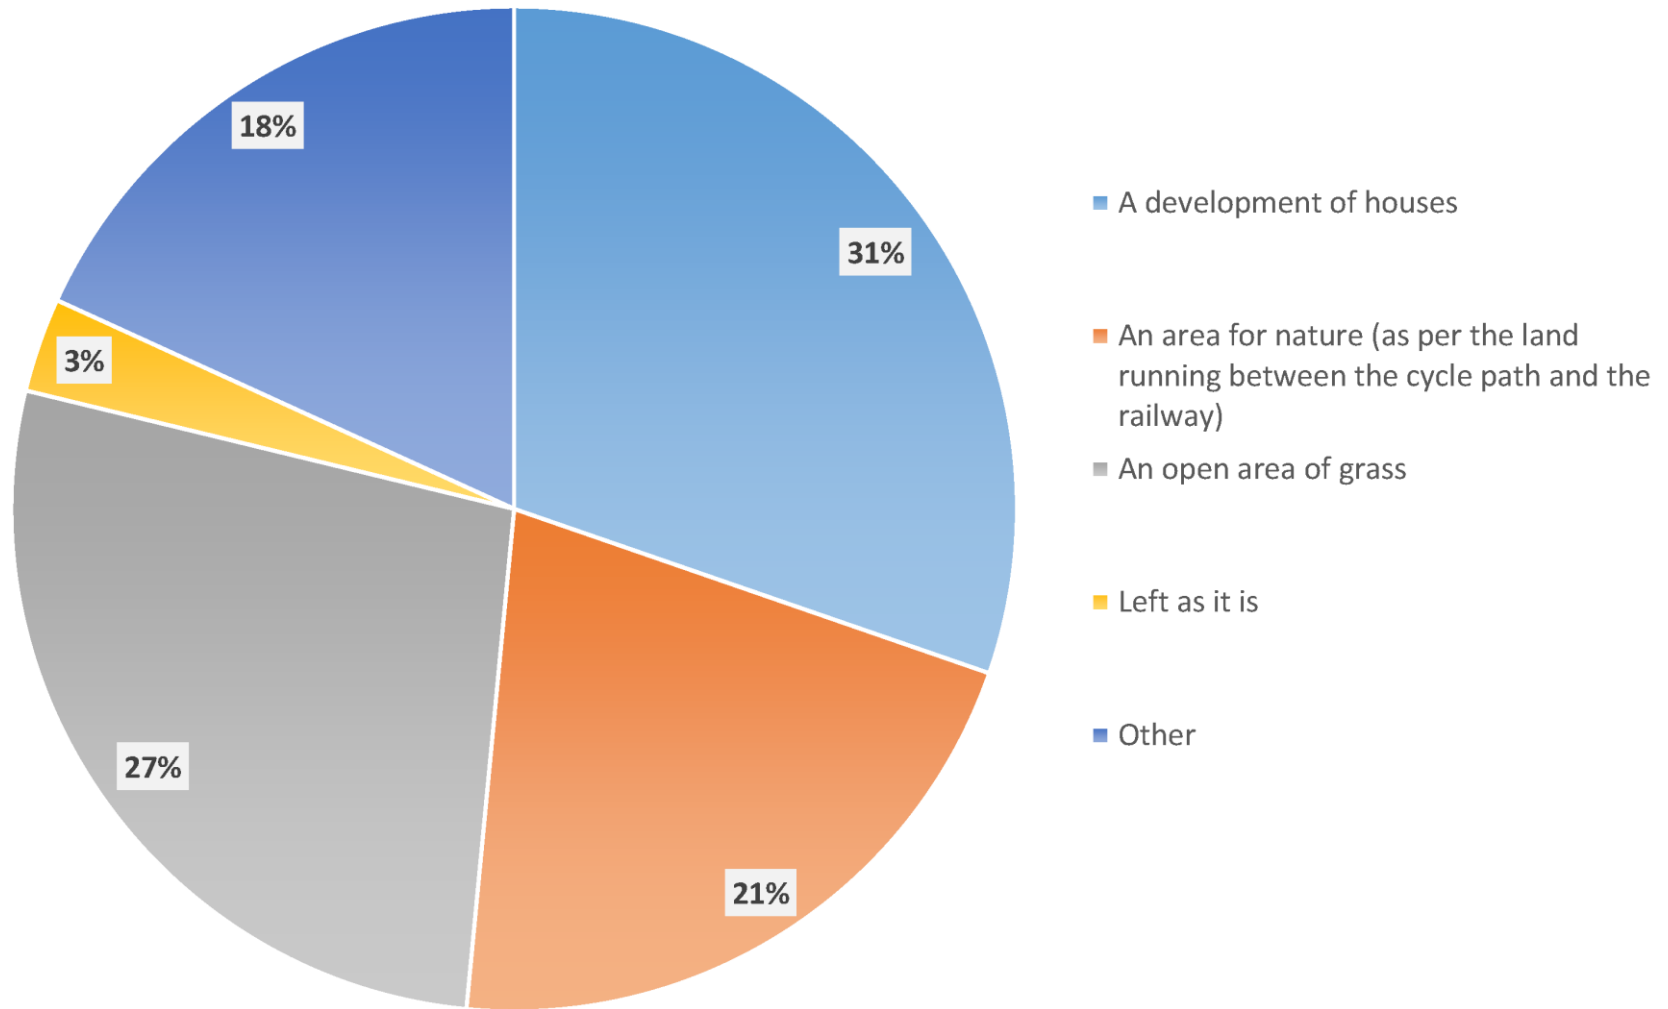

■ Yes ■ No

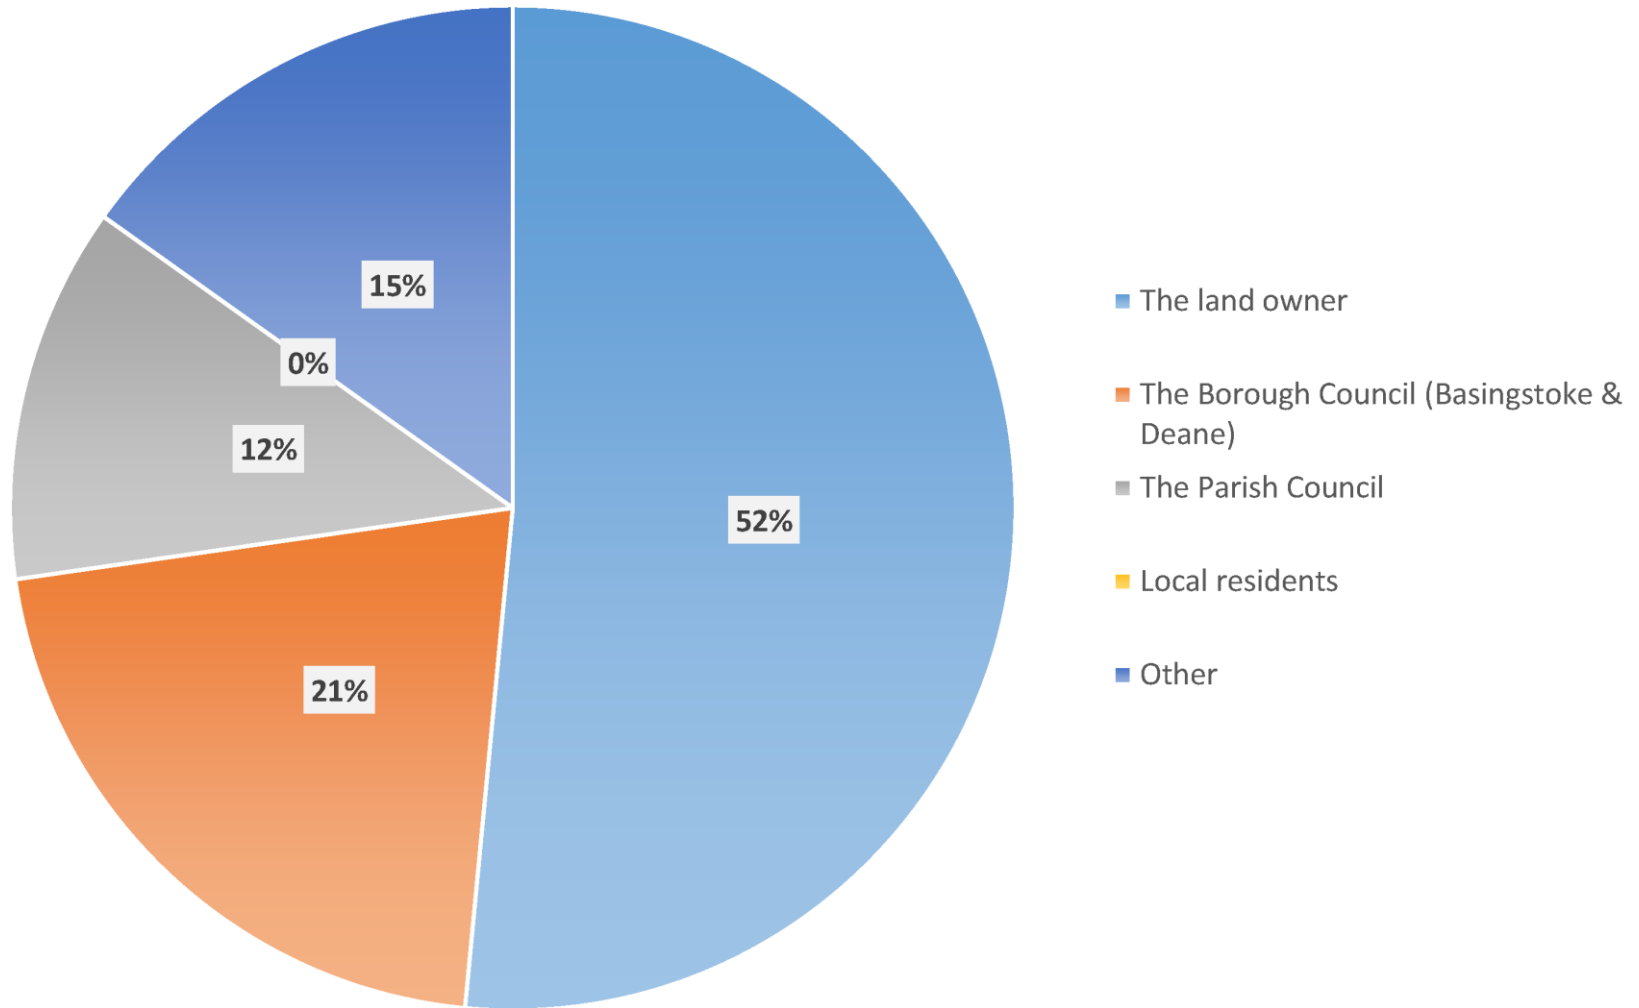

Are you aware that Village Green status prevents the land owner from building on this land?

What would you like see be done with the Village Green?

Who do you see as being responsible for the maintenance of this land?

Do you think this area of land is in need of maintenance?

■ Yes ■ No

Are you aware that the land owner has taken legal action to prevent local residents from maintaining the land in the past?

Would you like to see the damaged sections of fencing surrounding the land removed?

■ Yes ■ No

Would you like to see made-up paths across this land?
(a) From the Smithy to Longbridge Road?

Would you like to see made-up paths across this land?
(b) From the cycle path to Longbridge Road?

Do you think vehicular access to the land should be restricted?

Would you feel safer if wireless CCTV cameras were placed at strategic points (e.g.attached to lamp posts) along Longbridge Rd and the Cinder track?

Do you agree that the installation of CCTV cameras would act as a deterrent to antisocial behaviour?

Do you agree that the installation of CCTV cameras would help the Police to identify the antisocial people and enable them to take the necessary action to stop this behaviour?

Do you think that the anti-social behaviour is alcohol induced?

Do you feel that antisocial behaviour would it be less of a problem if the village shop stopped selling alcohol?

■ Yes ■ No

Would you like access to the Longbridge village green to be closed off completely from Longbridge Rd by a high brick wall?

Do you think that the antisocial behaviour would stop if the Longbridge green was developed with housing (even though there would still be public access to Longbridge Road from the Cinder Track)?

Comments (Spelling/layout corrected)

| |
|---|
| Ensure that tenants of social housing are local people who are used to village life and are not re-located from Popley or other areas which have more amenities and easier access to town centre venues |
| More police CSO presence. More amenities in the village, shop at German Road. CCTV identify culprits. More care when housing problem families is needed. More support for victims |
| Not going stop ASB with physical obstacles. Tackle root problem. Community police be involved. It does not help to show aggressive front to individuals. Lived here long time and feel embarrassed and annoyed at prejudice against Lane End and beyond |
| No reason why there should be access via Longbridge. High street for people to use. PC stand and its village not town |
| Brick wall close off the access. Clean area but not benches as then people linger. CCTV deter criminal damage to property backing onto the cinder track. Something needs to be done before people move in droves. 30 house sales in the last 10 years |
| Not stop shop selling alcohol. Cut off access, pedestrian and other completely |
| unless access stopped, ASB will continue. Block off entrance, avoiding an escape route. Access Longbridge not needed. Cinder track is the route |
| Not prepared be brought into argument concerning ASB as not seen any. As regards Longbridge Road "Berlin Wall", incredible, who would fund it. Police should be involved and sort the problem or NW be more involved |
| Bramley very little to offer many residents. Deficit of communications and facilities and only suited those of independent means. ASB caused by people being trapped, no access to hospital, schooling elsewhere exception infants oversubscribed. Close off Longbridge, problem ASB just go elsewhere. Problem is too much Social housing which has flooded the village with people who do not want to be here |
| Along the route to the shop via Longbridge small number cause ASB. Do not need CCTV, motion activated webcams would provide evidence for police to act upon. If not willing, all waste time. |
| Fence removed and replaced. Wall if houses not built. Evidence is needed to prosecute for ASB. |
| RED card all ASB and evict those responsible. Drugs plays part. |
| Move the shop which also deal with the traffic problem and litter problem. Stop parking on footpaths and putting bins in the road to deter parking. It only serves to annoy and cause ASB |
| Small development of bungalows. No footpaths across. ASB cost me Â£300 in replacing damaged specimen conifer. How do I enjoy my garden with this ASB? Police have been very supportive |
| Not sure about alcohol induced ASB |
| If PC cannot maintain it, BDBC should acquire the land and maintain it |
| Police presence. Stocks. Whipping. Deportation etc etc |
| Village green status should be rescinded. Allow housing development. Village green only in name. Living near, it is wasteland used by youths for hanging around, often with loud music. Disagree with its Village Green Status which encourages ASB. Parents should address the problem with their children |
| Clear some undergrowth. Appears like waste ground at present. As nearby in Jibbs close, willing to help clear area and return it to grass area |
| Not sure about cause of ASB |
| Not sure about brick wall and closing off area. Not sure cause ASB |
| Another shop on German Road would remove necessity to cut through Longbridge to the shop |
| Close off with brick wall and cannot be used as a cut through to use the shop. |
| People in the village would maintain it. With housing stop ASB but loose village green? Clear the area and have access to Cinder Track and Longbridge road |
| Proactive approach by police and social workers to identify and prosecute offenders. These are not alcohol driven to do ASB, it's in their nature to be provocative. |
| Not sure about ASB stopping if area was developed |
| Police presence, especially evening. Not seen police in Bramley for years. When windows broken had community policemen on bicycles, very kind and efficient but not policemen |
