St. James Park Development - Roadwork Improvements

As the nominated sub-contractor for the above, we intend to commence the construction works in Minchens Lane on Monday 12th June 2017 and it is anticipated to take 18 weeks to complete.

The traffic control for these works will be by using 2-way portable traffic lights or temporary road closure.

Access/Egress to your property will be maintained at all times, however if you experience any difficulties please do not hesitate to contact me on site or by phone (07725927108) and I will endeavour to put it right for you.

KAMM Civil Engineering Ltd apologise in advance for any inconvenience this may cause.

Mike Carter.

S278 Site Manager.
